

OLLI at Duke - Call for Spring 2023 Moderators

Spring term starts in a few weeks and once again we are seeking moderators. Can you join us again? Here's the schedule:

March 15	Moderator sign-up opens
April 5, 11:59 PM	Moderator sign-up forms due
April 7	Moderators notified of their assignments (before registration)
April 11/12	Registration opens for Spring Term*
April 12, 1 PM	Moderator training (mandatory for new moderators)
April 24-27	Rehearsal and Team Intro sessions (mandatory for all moderators)
May 1	Spring Term courses begin

You can check the list of courses needing moderators in the "Moderator Info & Sign-up" article on the <https://olliatduke.online/moderators> webpage. To volunteer as moderator, click on the moderator sign-up link and fill out the volunteer form.

*You will receive your assignment before registration opens. If you register for a course and later are assigned to that course, you will not be reimbursed for your registration fee. You can decline your assignment, though. Be advised that while we want you to enjoy your assignment, your primary responsibility is to assist the instructor, and we consider your free attendance to be a perk.

The role of moderator will not change significantly from past terms. If you sign up, we encourage you to attend the moderator training session as a refresher. You'll receive an email invitation containing the Zoom link to it. If you are not able to attend, you will be able to view the slides or the recording when they are posted on <https://www.olliatduke.online/moderators>.

As with last term, all moderators are **required** to attend the rehearsal with their instructor the week before the term starts. A link to your rehearsal session, with date and time will be emailed the week prior to it.
